BOIL WATER RESCIND NOTICE

For:

**Dubois Street to Hartford Street and from
Walker Street to South City Limits**

**City of Breckenridge, Texas
Effective 11-22-2017**

On November 20, 2017, the Texas Commission on Environmental Quality (TCEQ) required the City of Breckenridge to issue a Boil Water Notice (BWN) to inform our customers that due to current interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results indicating that the water no longer requires boiling.

If you have questions regarding this matter, you may contact the City Offices at 254-559-8287 or the Water Office at 254-559-7249.
